

I received XM radio with my new car. I have never enjoyed driving as much as I do now with my radio. I enjoy the variety and quality that are not available elsewhere. In addition, I am paying for these services and it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear. Please reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I pay for.
